Five possessive gods and the end of mankind. That's my fate.

I always thought the end of the world was a myth. But then, I also thought Norse gods were make believe too.

They're not.

Five of them are coming for me. They claim I will only survive if I surrender to them, body and soul.

But they don't realize it's about so much more than carnal servitude. I am so much more than they could ever suspect. So much more than even *I* knew.

I am the only one who can stop Ragnarök from covering the world in ice and darkness. The only one who can save gods and men alike from annihilation.

And in the shadows lurks betrayal so deep it will change the fate of the world...

For fans of Marata Eros' *The Druid series* and Patricia Brigg's *Alpha and Omega series* comes a sexy Reverse Harem take on Norse mythology. Omegaverse at its best!

This Paranormal Romance series is filled to the brim with wicked alphas, magic and fated mates.
