Darkness almost destroyed the galaxy a thousand years ago. He's reborn; and Nalini just saved his life.

A captive at the mercy of the Warlord of their multi-world kingdom, Nalini has learned to hide under a mask, a lie. As far as her master sees, she's his obedient little puppet. Then, she meets him. The male who can obliterate the entire Galaxy. Her world ends that day.

In the eyes of a young Seer, Kai discovers who he's meant to be. His future is blood and death; but there's a female by his side. A female he'd gladly destroy stars for. If his destiny is ruling over ruins with her, so be it.

Two souls, worlds apart, under different skies. One destiny.

Warning: mature content. Strands of Starfire is a space fantasy romance with some explicit scenes.

Note that this is series will only include standalone books.
