*"I'd spent too long in limbo. It was time to put The California Plan back into effect."  
~Layla Warren*

I've been in love with Trip Wiley since I was sixteen years old.

Yep. That Trip Wiley.

Academy award-winning actor, known philanthropist, People's Sexiest Man Alive two years running...

Yeah.

It's not like I'm some delusional stalker-fan. It just so happens that he was my high school sweetheart back in 1991.

In the years since, he's simply been The One That Got Away.

We just can't seem to get on the same page at the same time.

Our timing may have sucked, but the feelings had already been confirmed. Years ago.

At least his were.

He doesn't know that I had chosen to love him back.

I need to fix that.

And I need to do it now.

Remember When 3 is the third and final book in the Remember Trilogy.

It's a story about taking chances and following your heart...

and knowing that sometimes, you just have to learn when to let go.
