New York Times bestselling author Katy Evans expands upon the intense love story begun in *Real and Mine*—this time from Remington “Riptide” Tate’s point of view.

Underground fighter Remington Tate is a mystery, even to himself. His mind is dark and light, complex and enlightening. At times his actions and moods are carefully measured, and at others, they spin out of control.

Through it all, there’s been one constant: wanting, needing, loving, and protecting Brooke Dumas. This is *his* story; from the first moment he laid eyes on her and knew, without a doubt, she would be the realest thing he’s ever had to fight for.
