A Dragon Clan winter novella.

Rhyndor, Steffan, and Nathan are powerful dragon warriors. When the vile witch, Celine, attacked their clans once again, they put a plan in place to deal with her. However, strength isn't always the best way to deal with a wily witch, and the warrior's mates know this.

The females of the clan have their own plan, but when the warriors find out what they've done, things get very heated!
