THE WICKED COUSIN

Sebastian Audley has spent years setting every city in Europe by the ears and keeping the scandal-sheets in profit. Word that he is finally returning to London becomes the hottest topic of the Season and casts numerous young ladies - many of whom have never seen him - into a fever of anticipation.

HAZARD

A cardsharp turned businessman, a duke's charming brother, a stubborn, razor-edged beauty and a desperate widow.

Four players in a game of Hazard ... all playing for very high stakes.

CADENZA

The performance finished in a flourish of technical brilliance and the young man rose from the harpsichord to a storm of applause.

Julian Langham was poised on the brink of a dazzling career when the lawyers lured him into making a catastrophic mistake. Now, instead of the concert platform, he has a title

he doesn't want, an estate verging on bankruptcy ... and bewildering responsibilities for which he is totally unfitted.

Three more tales from the popular Rockliffe series.
