Montana Territory, 1885 - Chance knows exactly what Rose needs...and he's going to give it to her.

Rose Lenox has always been more comfortable on the back of a horse than wearing ribbons and bows. For years, she's been content working on the family ranch, but lately she's finding herself wanting more. She's determined to strike out on her own and find freedom from her unorthodox family.

Chance Goodman has watched Rose grow up from a spitfire little girl into a fiery woman. He's wanted her for years, waiting patiently until he could make her his. When she leaves the Lenox ranch determined to abandon her former life and to stay good-bye to him, he knows now is the time he must claim her. Letting her go isn't an option.

Warning: Panty melting! Rose is the first book in the Wildflower Bride series. It's is a wildly dirty romance with a feisty heroine and obsessed alpha cowboy determined to make her his.
