Here is the complete 'Rough' Series, a seriously hot and provocative romance by Lucia Jordan, written in her signature style of high passion and emotion.

Meg Redwood has always been invisible. She's known for being polite, shy and predictable, and always doing what is expected of her. But all that changes on a weekend trip to a mountain lodge when she pledges to break free from the bonds of routine and find something exciting—something that is all her own. But she's not expecting to be swept off her feet, literally, by the lodge's seductively enticing owner—Adrian Wolfe.

Adrian is everything Meg is not. Blessed with success, charm and devilish good looks, he's as impulsive as he is fearless. Sick of always being well behaved and never getting what she

wants, Meg decides to give in to the temptations of her desires...but is she prepared for everything that the dangerous Mr. Wolfe has in store?
