A Collection of Cowboy Love

Cowboys, blue-collar men, and hot redneck boys. One thing they all have in common is Wranglers, and they're all falling in love in this eight-story collection. From Navy SEALs to rodeo riders to a food truck chef, all these men want is to find someone to share their lives with.

There are new lovers meeting for the first time, best friends who find out they have someone who loves them already when they think they'll never find happiness, and old lovers who've been apart for years but come back together at the best possible time. From the ski mountains of Colorado to deep in the heart of Texas, love finds a way through old hurts and through years of being apart.

There's nothing like a man in Wranglers and cowboy boots, and these stories prove it in every line!

Stories include:

Hey, Jealousy
Czech Me Out: An Austin Story
Worth the Work
Purgatory
Menagerie
Where There's a Will
Cut Bait
Unwrapped
