Can a secret stop true love?

Dr. Daniella Bell came to town with a secret. Caring and dedicated, she quickly wins the trust of her patients, and falls for handsome cattle station heir, Mark Walker. But as their relationship grows, Daniella discovers that the local rumor mill can threaten both friendships and careers, and that a small town like Ryders Ridge also has secrets. Just as Daniella considers running away for a second time, a terrible accident forces her to face her past, and risk losing Mark forever.

Fans of Kristan Higgins, Barbara Freethy or the TV-series ER may enjoy this connected series blending family, secrets, medical drama, and small-town contemporary romance.
