After her marriage falls apart, Sophie McPhee returns to her hometown of Lonesome Way, Montana, planning to steer clear of men and focus on her new bakery, A Bun in the Oven. Who she doesn't expect to see is Rafe Tanner, her first crush who now runs his family's ranch-and who spent most of their childhood ignoring her. But is Rafe a changed man?

While Rafe is stunned to discover that Sophie's grown into an irresistibly beautiful woman, he's been hurt too. They both have their guards up, but melt in each other's company. Can they admit that home is truly where the heart is?
