This is Part 3 of an 8 book series.

Charity Thompson is finding her way in life. Dr. Elijah Bennet is proving to be the consuming temptation she finds herself not wanting to lose. Charity is still constantly trying to prove to her stubborn father that she has become successful in her profession, that he has no right to be disappointed that she dropped out of medical school.

As the Diamond Gala for her father's sixty-fifth birthday approaches, Charity sets her focus on turning it into the gala of all galas despite the fact that her relationship with Elijah seems to be constantly hitting cross roads that seem to want to undermine it and tear them apart.

Will love win out? Or will reality set Charity's life on a different course? One she never saw coming.

This is NOT erotica ** It is part 3 of a 8-part series and is intended for mature adult audiences only.**
