I have one rule: Don't s**t where you eat.

Several of the women in the condo complex I own would love some one-on-one playtime, and why wouldn't they? I'm young, fit, attractive, and loaded. Not to mention I'm packing a sizable bulge below the belt. It's a combination that drops panties on a regular basis. Yay, me, right?

But my cock, troublemaker that he is, has been confined to my trousers by my business partner. A concession I agreed to, and one that's never been hard to enforce until Emery moves in across the hall. She's smart, young, determined, and sexy as hell. I want a taste. I won't stop until I'm buried deep inside the succulent new-in-town brunette.

After being warned about my past, she does her best to steer clear, but I'm about to show her that underneath it all, I'm a guy with a heart of gold and a cock of steel.

My name is Hayden Oliver, and this is my story.
