Benji is the skater in the league who brings down the height average. Coming in at five eight, he's used to players chirping at him all night about his height.

Including the sexy defenseman for the Carlisle Rush, Avery Lester, the defenseman with the stunning eyes and cute smile.

When Benji makes a single inappropriate comment about Avery's ass, everything goes to hell. Add in Avery's heroics during a hate crime, and things just go from bad to worse.

Abruptly it's not his height Benji has to worry about, but the chance that his closely guarded secret is shared all over the Internet.

Can love find a way, or will keeping secrets tear Benji and Avery apart?

**NB: This short story was originally part of the anthology "Changing on the fly". Now available separately with its own cover art.**
