Seduced by a Marquis is the 8th book in USA Today bestselling author, Carole Mortimer's, Amazon #1 and highly acclaimed Regency Unlaced Series.

Author's Note: The stories in the Regency Unlaced, Knight Security, and Alpha Series, have stronger sexual content and language than my other books.

Bella is tired of being forced into obeying her older brother's dictates, but each time she tries to rebel he uses the one thing he knows will make her agree to do anything he asks of her. Her younger sister, Esther.

Lord Lysander Falkner has only been the Marquis of Trent for a matter of months, and already he's grown tired and jaded, of Society and the over eager mamas and their daughters all trying to tempt him into marriage. When he meets Isabella Reynolds he believes she's different, that he might finally have found a woman who isn't only interested in his title and

fortune.

Within a matter of days he discovers how mistaken he was.

When Bella finds herself actually betrothed to the handsome marquis, a man she is deeply attracted to but she knows has every reason to distrust her, her future looks bleaker than ever.

But someone doesn't want to see the two of them married, and when an attempt is made on their lives the only people they can trust is each other.

Other books by Carole Mortimer
