'Nothing gets me to a bookstore faster than Eloisa James' - **Julia Quinn**

A swash-buckling flight of fancy from the queen of Regency romance, Eloisa James.

Sir Griffin Barry leapt out of the bedchamber window at age seventeen after a very disappointing wedding night, drank a bit too much at the pub and woke to find that he'd joined the crew of a pirate ship! Years later, he has become one of the most feared pirates on the high seas, piloting the *Flying Poppy*, a ship he named after the wife whom he fondly (if vaguely) remembers.

What happens when a pirate decides to come home to his wife - if she is his wife - given that the marriage was never consummated? And what happens when that pirate strolls through his front door and is met by . . . well, that's a surprise!

'Eloisa James is extraordinary' - **Lisa Kleypas**

'Romance writing does not get much better than this' - **People**
