A *SUNDAY TIMES* CRIME BOOK OF THE MONTH PICK

\*\*\*\*\*

The new V.I. Warshawski novel from the *New York Times* bestselling author pits acclaimed detective V.I. Warshawski against some of today's most powerful figures.

'The 19th Warshawski novel is also a panoramic vision of Chicago at a time when the city is so polarised that decent people don't know who to trust' *The Sunday Times*

'Paretsky is a genius' Lee Child

Legendary sleuth V.I. Warshawski returns to the Windy City to save an old friend's nephew from a murder arrest. The case involves a stolen artifact that could implicate a shadowy network of international criminals. As V.I. investigates, the detective soon finds herself tangling with the Russian mob,

ISIS backers, and a shady network of stock scams and stolen art that stretches from Chicago to the East Indies and the Middle East.

**In *Shell Game*, nothing and no one are what they seem, except for the detective herself, who loses sleep, money, and blood, but remains indomitable in her quest for justice.**
