Lowe Carter and Faith Williams could not be more different. Lowe comes from money, *very* old money. Faith scrapes by, living paycheck to paycheck, sending what little she has left to her mother and little sister. Lowe is just starting her obligatory two-week visit with her parents when she collides, literally and figuratively, with the beautiful Faith. What better way to spend two weeks of hell than in the company of a hot, sexy woman? The only problem is that employees like Faith are forbidden to fraternize with residents and their guests. Join Lowe and Faith as they sail on *The Escape*, the world's largest private residence on the water.
