"Skatteøen" er R.L. Stevensons klassiske sørøverhistorie om den unge Jim Hawkins, der får fingre i kaptajn Flints gamle skattekort. Jim kan ikke modstå fristelsen til at søge efter kaptajnens skjulte skat, men det viser sig, at han ikke er den eneste med den idé. Tiden på Skatteøen byder på ubehagelige overraskelser og alt den spænding, der følger med en god, gammeldags skattejagt. Den skotske forfatter Robert Louis Stevenson (1850-1894) er i dag bedst kendt for den udødelige klassiker "Skatteøen" samt gyseren "Dr. Jekyll og Mr. Hyde", men han skrev også både digte, essays og rejseskildringer. Stevenson døde som 44-årig af en hjerneblødning på Samoa.
