Hun ved, hun løber for livet, men hun ved ikke, hvad der er efter hende. Og hun ved heldigvis heller ikke, hvad der ligger foran hende ...

Det er november, og årets første sne er faldet i Oslo. Birte Becker kommer hjem fra arbejde og roser sin mand og sin søn for snemanden, de har lavet i haven. Men de har ikke lavet nogen snemand. Da familien stiller sig ved stuevinduet og ser ud, slår det sønnen, at snemanden står vendt mod huset. At de sorte øjne stirrer direkte mod vinduet. På dem.

SNEMANDEN er syvende bind i serien om Harry Hole, vicekommisær ved drabsafdelingen i Oslo. Harry finder alarmerende fællestræk ved en række gamle forsvindingssager: Gifte kvinder er forsvundet samme dag, som den første sne er faldet.
