**"Santa lost my address a long time ago, Cupcake. The only present you're getting tonight is my face between your thighs."**

Former black ops mercenary Ronan Steel doesn't do Christmas—not anymore. And he abso-f\*ckin-lutely doesn't do damsels in distress, banging on his door in the middle of a blizzard. Give her a ride? Hell, no. With her big blue eyes, innocent smile, and f\*ck-me-senseless elf costume, that girl is nothing but trouble.

**Sweet, sexy trouble that leaves him aching for a taste of what's hidden under those candy-cane-striped tights...**

Georgie Taylor will *not* miss another Taylor family Christmas—not after last year's disaster, and especially not after shelling out \$500 for the perfect elf costume. But a freak storm puts her holiday travel plans on ice, leaving her stranded at the secluded mountain cabin of a cocky, sexy-as-

sin recluse who makes Scrooge look like a fuzzy pink teddy bear.

**If only his filthy mouth didn't make her so hot...**

As the blizzard rages on, all Ronan wants for Christmas is to f\*ck that good-girl smile right off Georgie's face. And all Georgie wants is to punch Ronan in the snowballs... until he pins her down and gives her a full-blown Christmas miracle right there on the kitchen table...

High in the Colorado Rockies, cabin fever has never been hotter. But when Christmas morning dawns, what does Santa have in store for the naughty bad boy and his nice little elf?

**\*\* A sexy, standalone Christmas novella with an HFN and no cliffhanger! \*\***
