Annika Bengtzon er tilbage på Kvällspressens redaktion i Stockholm og genforenet med sin mand, Thomas, som arbejder i justitsministeriet. En eftermiddag bliver en ung mor fundet død bag en børnehave i forstaden Axelsberg i det sydlige Stockholm. Hun er det fjerde offer på kort tid under lignende omstændigheder: kvinde, ung, mor, stukket ihjel bagfra med kniv. På Kvällspressen ser man konturerne af en seriemorder, noget som Annika affærdiger som vilde fantasier.

Thomas er til konference i Nairobi omhandlende sikringen af EU's ydre grænser. Under en rekognosceringsrejse langs den somaliske grænse kidnappes hele delegationen - syv personer fra forskellige dele af Europa.

Alt imens mistanken om en seriemorder begynder at tage form også hos politiet, bliver Annika trukket ind i et voldsomt kidnappingsdrama som ryster både Europa og Østafrika. Kidnappernes krav er umulige og urimelige. Da kravene afvises, henrettes gidslerne - en efter en står de for tur.
