Efterfølgeren til Jojo Moyes' mest populære romaner, Mig før dig og Efter dig, byder på et kærligt gensyn med Louisa Clark, som for alvor er klar til at efterkomme Wills ønske om at leve livet og kaster sig ud i et nyt eventyr i New York.

Lou Clark ankommer til New York, klar til at starte et nyt liv og overbevist om, at hun godt kan holde liv i forholdet til kæresten, Sam, hjemme i England. Her bliver hun hos sin nye arbejdsgiver, det superrige Gopnik-par, kastet ud i en tilværelse meget fjernt fra de beskedne kår, hun selv stammer fra.

Leonard Gopnik og hans noget yngre kone Agnes introducerer Lou for byens absolutte overklasse, heriblandt Joshua Ryan, en mand der bringer en fjern hvisken med fra Lous fortid.

For at holde sammen på sine to verdener må Lou holde på en del hemmeligheder - og ikke kun sine egne. Og hun må spørge sig selv: Hvem er Lou Clark? Og hvordan skaber man ro i et hjerte, der er splittet i to?
