It's just Jocelyn's luck that she meets her match at the fake bachelorette party her best friend throws for her.

She knows better than to get pulled into any of Cee-Cee's antics. It must have been sheer exhaustion that made her agree to help her best friend out with a work project - one that ended up with her playing bachelorette for the night!

No man ever wants to be knocked off his feet by a woman he meets while she's wearing a bachelorette "suck for a buck" shirt...

Andrew knows that he wants Jocelyn the moment he lays eyes on her, but he's never been one to poach on another man's territory. He walks away but finds himself changed by the experience. Imagine his surprise when he sees her again, only to discover she isn't married and has never even been engaged.

*Although this is book one in the Bachelorette Party series, there is no cliffhanger. Each book features a different couple. And if you've read the Blythe College series, you'll see some familiar faces in Sucked Into Love.
