En tidlig mandag morgen gør to børn et grusomt fund: I gymnastiksalen på deres skole i Bagsværd finder de ligene af fem nøgne og stærkt maltrakterede mænd, som med matematisk præcision hænger ned fra salens loft. Det ligner mest af alt en offentlig henrettelse. Chefkriminalinspektør Konrad Simonsen og hans team fra drabsafdelingen ankommer fra København. Og afhøringer blandt skolens personale kaster hurtigt mistanken på skolens pedel: Den lettere alkoholiserede, men begavede Per Clausen. Tilsyneladende kender han mere til de bestialske drab, end han vil ud med. Men hvad er motivet, og hvorfor dette spektakulære sceneri? Og kan Per Clausen have handlet helt på egen hånd? Hurtigt bliver det klart for Konrad Simonsen, at der må lægges låg på sagen for at hindre en blodtørstig dagspresse og menneskehob i at spolere efterforskningen. Men andre - stærkere - kræfter synes at have anden dagsorden ... SVINEHUNDE er første bind i en helt ny dansk krimiserie med chefkriminalinspektør Konrad Simonsen og hans efterforskningsteam.
