We have a history.

From USA Today bestselling author Terri Anne Browning, comes a new ROCKER series--Tainted Knights.

His childhood was full of darkness and all I have ever wanted was to give him the light. Now he puts that darkness into his music, and protecting the girl who has always worshiped him.

But time changes people.

It has changed me.

I'm no longer the little caterpillar he has always called me. I know he needs me--I need him too.

Now I have to make a choice...

Stay and pretend like he hasn't eviscerated my heart.

Or let go of him completely.
