Tak for turen! er Oberst Lars R. Møllers kontroversielle bud på, hvad vi kan lære af en soldats erfaringer. Og et velrettet spark mod de skrivebordsgeneraler, der ifølge Møller fylder alt for meget i landskabet.

Lars R. Møller voksede op under den kolde krig og blev berømt både i Danmark og ude i verden, da han som den første valgte at give ordre til at skyde med skarpt under krigen i Jugoslavien.

Tak for turen! er erindringer fra et langt liv i Forsvarets tjeneste, fra grøn rekrut til hærdet kriger. Fra øvelsesterrænet i Oksbøl, over operation Bøllebank i Bosnien, til rævekagerne på de bonede gulve i Forsvarskommandoen. Møller har været der og sat sit uudslettelige fingeraftryk.
