From the New York Times bestselling author Nashoda Rose, comes a new sexy paranormal romance.

## MAX

Feelings are a luxury I can't afford. Hidden behind a shield of quiet placidity, I keep my secret safe from those who'd use it against me. Until him—the tatted up, self-centered Scar assassin hired to protect me.

He takes pleasure in tormenting me, chipping away at my defenses as if I'm a toy to be played with. I hate that he continuously reminds me that I'm nothing more than a job. I hate that my body responds to his touch. I hate him.

## JASPER

I'm not a good guy and I don't pretend to be. Condemn me if you want, I don't give a crap. You're nothing to me. No one is ... except her—Max. She's my target. And I was hired to do a hell of a lot more than protect her ... I was hired to kill her.

It should've been simple, but it was complicated as hell.

\*Full length novel. --Meet the Scars.

Contains explicit sex, disturbing scenes and offensive language.
