From New York Times and USA Today bestselling author J. Kenner comes a new story in her Stark International series...

Aspiring actress Jamie Archer is on the run. From herself. From her wild child ways. From the screwed up life that she left behind in Los Angeles. And, most of all, from Ryan Hunter—the first man who has the potential to break through her defenses to see the dark fears and secrets she hides.

Stark International Security Chief Ryan Hunter knows only one thing for sure—he wants Jamie. Wants to hold her, make love to her, possess her, and claim her. Wants to do whatever it takes to make her his.

But after one night of bliss, Jamie bolts. And now it's up to Ryan to not only bring her back, but to convince her that she's running away from the best thing that ever happened to her—*him*.

Every 1001 Dark Nights novella is a standalone story. For new readers, it's an introduction to an author's world. And for fans, it's a bonus book in the author's series. We hope you'll enjoy each one as much as we do.
