In this easy to read and highly informative book, psychotherapist Sean Orford tells his unique story of sexual discovery.

When travelling student, Naz, meets Vanessa, an older and highly experienced Tantric practitioner, his life is changed forever. Vanessa transforms Naz from a rough, well intentioned, genitally minded young man into a sensitive yet powerful Tantric lover.

On an incredible journey Naz is taught the sexual importance of touch, taste and smell, the truth about Tantra and the difference between a true, total body orgasm and mere ejaculation.

This book will transform your understanding of yourself, your body and sexual experience - and how the three can connect you spiritually through meditation with all of creation.
