The laws of the moon state each alpha must pick a mate before the age of thirty-five. If no mate has been chosen for the alpha and his pack then the beast takes control for eternity.

Tom has one year to find a woman, claim her, and bind her to his pack. His brothers do not believe in the curse but he does. Time is literally running out. With each passing moon he feels the control of his wolf growing stronger. He needs to find the woman destined for his pack.

Kitty Evans has been dealt a bad hand. After her mother died swallowing up what little money she had, Kitty has been living from place to place, never settling down.

After one brief encounter, Kitty is bound to men who could be her salvation. Can she really give herself to six men?
