“Sizzling, addictive, and deeply romantic, Miranda Neville’s novels are a joy to read.

—Eloisa James, New York Times bestselling author

One of the most exciting new and rapidly rising stars in the firmament of historical romance, Miranda Neville delivers once more with *The Dangerous Viscount*—the second book in her electrifying Burgundy Club series about a small society of rogues in Regency England and the women who capture their hearts. This time, it’s the very dangerous Sebastian Iverley who is smitten by the enchanting Diana Fanshawe—while she, in turn, must deny her love and concentrate on marrying another in order to gain what she most desperately desires. Miranda Neville’s *The Dangerous Viscount* is the perfect blend of passion and humor that Regency romance readers crave.
