With a curse she never knew she had, a heart that has been shattered and pieced back together, and daunting past full of abandonment issues, Adisia Titan never thought she'd find happiness, let alone true love. Then she stumbles upon Devin Cole. He's rich, sexy, mysterious, and... persistent. Those secrets that make him mysterious also threaten to rip them apart... until Adisia learns the truth about her past. Lost from the world she didn't know even existed, Adisia finds herself in the middle of a war she's not prepared to fight. There's nothing more rare than an Aphrodite, and there's nothing more hunted. Devin will do anything to keep her safe, including giving his own life.
