## Book 1: First Date

Bea has an everyday, normal job in an IT firm, but for one night, she plays an escort to the two men, the gorgeous Scottish brothers Ryan and Jason Wallace. Bea is a reluctant helper at first, but soon she finds it a double delight to be in the right place at the right time...

## Book 2: Billionaire Brothers

The somewhat shy and naïve Bea Hamilton finds herself in the net of the two gorgeous billionaire brothers once again.

Ryan and Jason Wallace seem intent to turn her into the sultry and wanton woman they think she is. How can she open up and tell them she's not a professional escort after all, but a very reserved IT exec assistant who, before she met them, knew next to nothing about men?

## Book 3: Bea's Submission

Once...or even twice, could never be enough.

When her second night with the Wallace billionaire brothers brings dark delights to life, Bea finds herself in a fix.

On the one hand, she hungers for the thrill of being an object of desire for the two insatiable brothers. On the other hand, she has to think of how far she really wants to go. She's come a long way from the shy and prim Bea Hamilton she was before she played escort to the two billionaires.
