## THE GIRL WITH THE DRAGON TATTOO IS BACK WITH A UK NUMBER ONE BESTSELLER

Lisbeth Salander and Mikael Blomkvist have not been in touch for some time.

Then Blomkvist is contacted by renowned Swedish scientist Professor Balder. Warned that his life is in danger, but more concerned for his son's well-being, Balder wants *Millennium* to publish his story - and it is a terrifying one.

More interesting to Blomkvist than Balder's world-leading advances in Artificial Intelligence, is his connection with a certain female superhacker.

It seems that Salander, like Balder, is a target of ruthless cyber gangsters - and a violent criminal conspiracy that will very soon bring terror to the snowbound streets of Stockholm, to the *Millennium* team, and to Blomkvist and Salander themselves.

*The Girl in the Spider's Web* is book four in the Millennium series. Book five, *The Girl Who Takes an Eye for an Eye*, was published in September 2017.

***The Girl Who Lived Twice* - the final novel in the series by David Lagercrantz - is available to preorder now.**
