From Vermont's Green Mountains, where world class athletes are born and bred, come three gorgeous romances at one low price.

Coming In From the Cold: Country girl Willow Reade meets Dane by accident. Literally. Her skidding truck forces him off the road during a blizzard. Stranded together in his Jeep as night falls, the two loneliest people in Vermont find themselves sharing more than they'd planned. But Dane "Danger" Hollister is gold-medal ski racer with a world-class secret. As their lives intersect, his troubles threaten them both.

Falling From the Sky: Until his accident, bad boy Hank "Hazardous" Lazarus had everything: a gorgeous girlfriend, a career as a freestyle snowboarder and a spot on the US Olympic team. Could he possibly meet the love of his life in the last place he ever wanted to go--the hospital?

Shooting for the Stars: Pro snowboarder Stella Lazarus has always loved her brother's best friend. But the one time she tried to show him, she was shot down faster than you can say "competitor disqualified." Until one blissful night in Tahoe, when Stella finally gets her man. Or does she? In the morning, Stella and Bear wake up to horrible news. The sort that sends them racing back to Vermont, and straight into the arms of guilt and family obligations.
