Sasha McCandless-Connelly has a finely honed sense of right and wrong--and a long memory. The handful of grudges she's nursing has started to cause problems at work and at home. When an old adversary and an old ally both come back into the picture, she'll learn whether she has the capacity to forgive and forget. It's a task that just might prove harder than bringing down killers, running a law firm, or parenting twins.

Note from Melissa: This novella (approximately 75 printed pages) provides a glimpse into Sasha's personal life for readers who just can't get enough Sasha and Connelly. The next full-length Sasha McCandless legal thriller will be available in 2018.
