From the moment Slade Carruthers lays eyes on the beautiful Clea Chardin, he has to have her. But Clea has a reputation, and Slade doesn't share his women. If Clea wants him, she'll come on his terms.

Clea isn't a loose woman, as everyone believes, but the label helps to protect herself from heartbreak. Now she's about to meet her match.

So begins a jet-set seduction that takes Clea and Slade around the globe and ultimately to bed...

About the author

Although born in England, Sandra Field has lived most of her life in Canada; she says the silence and emptiness of the north speaks to her particularly. While she enjoys travelling, and passing on her sense of a new place, she often chooses to write about the city which is now her home. Sandra says, 'I write out of my experience; I have learned that love with its joys and its pains is all-important. I hope this knowledge enriches my writing, and touches a chord in you, the reader.'
