Here, presented in one volume, are the four stories that comprise 'The Proposal' series by Lucia Jordan.

Book 1:

When Brooke Miller, a successful financial advisor, went to attend her younger sister's wedding, she was glad for the brief reprieve from her hectic job. The groom's brother, tall and raven-haired Christopher Hunt, destroyed her plans for a peaceful break. There was something almost menacing about him and despite her reservations, he enthralled Brooke. What she would soon learn is that Chris wants her to be his Sub - and he is very persuasive.

Book 2:

After Chris took his kinky interests too far, Brooke's anger at herself keeps her on edge. She can't admit that she liked being spanked, and her denial is just amusing the man who was responsible. He knows that somewhere deep inside, Brooke is leaning toward him - toward being his Sub.

Book 3:

Brooke explores her carnal urges and is a willing student to her master. She is completely satisfied until the romance and affection in her sister's marriage affects how she views her own relationship. She is obsessed by the need to have a more fulfilling liaison with the one man who attracts her like no one else. But a heart-to-heart with Chris leaves her abandoned, because Chris is by nature a Dom who avoids romance like the plague. He attempts to dislodge himself from Brooke, only to be left the one wanting.

Book 4:

Brooke attempts to rectify her drastic mistake, but she has no solid explanation. She is terrified that Chris will release her, and hastily comes up with the perfect solution: she changes her mind. Now, she craves no romance whatsoever - all she wants is to be his submissive.

Chris is feeling the pressure, and the insistent urging of his heart to overrule his level-headed actions. He had enjoyed the altered relationship - the intimacy - but the shock of his life awaits him. Brooke has turned the tables and is now an over-avid, suspiciously keen sub.

Be warned that this ebook contains very hot and explicit descriptions of romantic activity and submissive training. Only mature readers should download this book.
