**John Flanagan makes a spectacular return to the world of Ranger's Apprentice - but what has happened since you last saw Will and his friends might shock you!**

Will took an oath when he joined the Ranger Corps. Does it mean nothing to him now?

After a senseless tragedy destroys his life, Will is obsessed with punishing those responsible - even if it means leaving the Ranger Corps. His worried friends must find a way to stop him taking such a dark path.

It is Halt who suggests the solution: Will must take an apprentice. The candidate Halt has in mind will surprise everyone - and it will be a request Will cannot refuse.

Training a rebellious, unwilling apprentice is hard enough. But when a routine mission uncovers a shocking web of crime, Will must decide where his priorities lie - finishing his quest for revenge, or saving innocent lives?

The final book of the Ranger's Apprentice series raises the stakes higher than ever. Is Will on his last mission for the Ranger Corps?
