Box set of the first three books in The Rules series - FAIR GAME, IN THE DARK, and SLOW PLAY!

FAIR GAME:

When your boyfriend bets YOU in a poker game, you better know when to run...

Bad enough Jade Frost's boyfriend drags her to a boring poker game. Even worse that he actually threw her into the betting pot during an intense round...and lost. Talk about the perfect excuse for Jade to make him her ex-boyfriend.

Now she supposedly belongs to the ultra rich, extremely gorgeous Shep Prescott. He could have anything he wants yet he seems to be in hot pursuit of her. No matter how rude, how snarky, how impossible she acts, it doesn't stop him. More like her horrible behavior seems to make him want her more.

When she finds herself starting to fall for him, Jade's confused. There's more to Shep than the carefree rich charmer he portrays. No way could he want a serious relationship with her...or could he?

IN THE DARK:

The girl next door isn't what she seems...

Stuck spending the summer with his screwed up family, Gabriel Walker is bored out of his mind and looking for an adventure. And he seems to find it with the hot girl who lives next door. The attraction between them is instant. Electric. Soon they're spending every stolen minute together. Talk about the perfect summer fling...

Lucy is living a lie. She doesn't live next door—she's the girl who's been hired to house sit for the summer. If Gabe wants to believe she's a spoiled rich girl looking for some fun, she can go along with that. After the summer, she'll never see him again.

They don't count on running into each other at college. Now Lucy must keep up the pretense of being a rich girl—and it's exhausting. She knows she's falling in love with Gabe and she's scared he feels the same. Will he still care about her when he discovers the truth?

SLOW PLAY:

He's the player of all players...

Newly broke girl Alexandria Asher just wants to live a normal life. After her parents are sent to prison on embezzlement charges, she enrolls in college under her mother's maiden name and tries her best to pretend she's someone else.

Tristan Prescott is everything Alex is trying to avoid. A seemingly egotistical, lazy, rich jerk, she dumps her beer on his head when he comes on to her one night at a party. This only spurs Tristan into action. He loves nothing more than a challenge. And the beautiful Alex is exactly the type of challenge that intrigues him.

Despite her reluctance, Alex finds herself quickly involved with Tristan. Underneath that playboy exterior is a good guy, a sweet and sexy guy who she is undoubtedly falling for. What they both don't realize is the actions of Alex's parents are the reason for so much tragedy in Tristan's family. And when Tristan discovers who Alex and her family really is, can he forgive and forget?
