America har fået lov at blive i Udvælgelsen, men det er på et hængende hår. Kong Clarkson lægger ikke skjul på at han ønsker hende ude af Udvælgelsen da han ser hende som en trussel. Det gør det ikke nemmere at hverken hun eller Maxon er klar til at bekende deres kærlighed, og Aspen og Kriss stadig spøger imellem dem. Samtidig skifter begge oprørsgrupper taktik, og volden optrappes. Både på slottet og i Illéa. Den Eneste Ene er tredje bind i en serie om venskab, kærlighed, rivalisering og et samfund bygget på forbud og classeskel.
