A riveting tale of family, love, and betrayal.

Left jilted at the altar by his bride, Rory MacLeod, the Duke of Skye and chief of the MacLeod clan finds himself becoming the subject of unsavory gossip.

Marriage to a respectable young lady of impeccable breeding is the only way Rory can hope to silence the gossips.

Licking his wounds, he returns to London for the upcoming session of Parliament and Season. He brings with him his sister Lily. It will be her first season and one which Rory intends to find a bride of his own. He doesn't have to look far.

Victoria, the Duke of Hargrove's daughter, catches more than his eye the moment he meets her. She is everything his duchess needs to be. She is smart, beautiful and devoted to Rory. Not even his darkest secret can sway her.

The bliss of married life is ripped apart by betrayal of the worst kind. His sister is kidnapped and forced into a marriage with only one purpose. Money. Even worse is who is behind it all.

With his own reputation and that of his family and clan at stake, Rory must carefully negotiate his sister's return without the world finding out about his secret. Not only could it bring shame to everyone he holds dear, it would mean his ruination or worse.
