Two men exiled to an untamed land must capture love.

Ever since Cambridge-bound Colin Lancaster spied on stable master Patrick Callahan *mastering* another man, he's longed for Patrick to do the same to him. When Patrick is caught with his pants down and threatened with death for his crime, Colin speaks up in his defense and confesses his own sinful nature. They're soon banished to the faraway prison colony of Australia.

Patrick never asked for Colin's help, and now he's stuck with the pampered fool. While it's true that being transported to Australia is a far cry from the luxury Colin is accustomed to, he's determined to make the best of it and prove himself. Patrick learned long ago that love is a fairy tale, but he's inexorably drawn to sweet, optimistic Colin despite himself.

From the miserable depths of a prison ship to the vast, untamed Australian outback, Colin and Patrick must rely on each other. Danger lurks everywhere, and when they unexpectedly get the chance to escape to a new life as cowboys, they'll need each other more than ever.

This historical gay romance from Keira Andrews features an age difference, an eager virgin, hurt/comfort, and of course a happy ending.
