A chilling tale from two of the greatest storytellers of our time...

Twelve-year-old Jack spends his days alone in a deserted coastal town, his father gone, his mother dying. Then he meets a stranger - and embarks on a terrifying journey. For Jack must find the Talisman, the only thing that can save his mother.

His quest takes him into the menacing Territories, a parallel world where violence, surprise and the titanic struggle between good and evil reach across a mythic landscape.
