'I have often wondered what I would be when I grow up, but never, never, never did I expect to be a Kangaroo!'

When the wind on the moon blew straight into Dinah and Dorinda's hearts it meant that they couldn't help but behave badly for a whole year. Transformed into kangaroos, they terrorise the sleepy town of Midmeddlecum with glee. But what they didn't count on was being locked in a zoo. Things get even stickier for the mischievous sisters when they learn their father has been imprisoned in a dungeon by Count Hulagu Bloot, the tyrant of Bombardy. Their poor father! Can they rescue him in time?
