This woman is my obsession, and my world is falling apart without her in it.

I thought I was going to shatter her into a million pieces and then build her into everything that I wanted and needed and desired in a submissive. And I did.

But somewhere along the way, she shattered me as well... and she's the only one who has the power to put me back together. But that's an impossible task when she isn't here.

Her freedom has been earned, her debt paid in full. She's out of my bed and out of my life. But what she doesn't know is that she'll never be out of my heart.

She is my life.
She is my love.
She is my everything.
