Colleen Hoover's New York Times bestselling Slammed series comes to its gripping conclusion. There are two sides to every love story. Now hear Will's.

Layken and Will's love has managed to withstand the toughest of circumstances, and the young lovers, now married, are beginning to feel safe and secure in their union. As much as Layken relishes their new life together, she finds herself wanting to know everything there is to know about her husband, even though Will makes it clear he prefers to keep the painful memories of the past where they belong.

Still, he can't resist his wife's pleas, and so he begins to untangle his side of the story, revealing for the first time his most intimate feelings and thoughts, retelling both the good and bad moments, and sharing a few shocking confessions of his own from the time when they first met.

In *This Girl*, Will tells the story of their complicated relationship from *his* point of view. Their future rests on how well they deal with the past in this final installment of the beloved Slammed series.
