**'Incredibly scary and suspenseful' - Stephen King**

**How far would you go to protect the ones you love?**

Life has never been easy for the three Campbell sisters. Jess, Courtney, and Dani live on a remote ranch where they work hard and try to stay out of the way of their father's temper. As events spiral out of control they find themselves in a horrifying situation and are left with no choice but to change their names and create new lives.

Eighteen years later, they are still trying to forget what happened to them. But when one of the sisters goes missing, followed closely by her niece, they are pulled back into the past. And this time there's nowhere left to run...
