

Download gratis bøger Thoughtless (PDF - ePub - Mobi) S.C. Stephens DbsBook

From the #1 *New York Times* bestselling author S.C. Stephens comes a powerful and emotional contemporary romance featuring a young woman in a new city who finds herself torn between her handsome, reliable boyfriend and a sexy local rock star.

For almost two years now, Kiera's boyfriend, Denny, has been everything she's ever wanted: loving, tender, and endlessly devoted to her. When they head off to a new city to start their lives together—Denny at his dream job and Kiera at a top-notch university—everything seems perfect. Then an unforeseen obligation forces the happy couple apart. Feeling lonely, confused, and in need of comfort, Kiera turns to an unexpected source—a local rock star named Kellan Kyle. At first, he's purely a friend she can lean on, but as her loneliness grows, so does their relationship. And then one night everything changes...and none of them will ever be the same.
